

A NOTE TO SANTA

I am a boy and most of all I need a hat,
Because the one I had has surely gone to _____

I'd like to have an overcoat,
Some shoes, and gloves, too!

And, I'd be mighty glad to have a suit of navy blue.
I'd dearly love a pair of ice skates

A good baseball and bat, a pony and a nifty cart
But I won't ask for that.

Of course I want an apple red,
A box of candy sweet,

Some walnuts, and raisins,
Lots of them, because I love to eat.

And when you've filled my stocking up, until it's running over,
Please stick some sparklers in the top or lay them on the floor.

Then, Santa, just to make things square,
Fill of the other stockings hanging there
