

## **FULFILLMENT**

Just for today your hand in mine,  
As in my dreams of you.  
Just for today your lips red wine,  
Thrilling me through and through.  
Yearning and sadness far away –  
Unmeasured gladness just for today!

Just for today, red roses, dear,  
As in our Land of Dreams –  
Just for today the lovelight near,  
Lighting the world, it seems.  
Memory! Bring no shadows gray –  
Only red roses just for today!
