1. My Ma - ma al - ways says to me When Christ - mas time is near, "What  
2. I think it would be lots of fun To drive a great big sleigh, And

Piano

would you like for San - ta Claus To bring to you this year?" Now  
stop at ev - ry bod - y's house And make a nice long stay. I've

San - ta has been good to me, I have most ev - 'ry thing, But  
things to play with ev - 'ry day, And some up - on the shelf, And

what I'd real - ly like this year, I fear he can - not bring.  
I would real - ly like to be A San - ta Claus my - self.

I'd like to be a San-ta Claus With lots and lots of toys, No

emp-ty stock-ing would I leave For lit-tle girls and boys. I'd

fill them up from toe to top, In each I'd crowd a smile, I'd

like to be a San-ta Claus For just a lit-tle while.
